

Your First Few Days

At St. Clare's all of the teachers and children want you to have a fantastic first few days. Here are some pictures to explain what will happen.

Starting School

This is where we will come in at 9.00am during morning sessions and the teacher will open the gate.

This is where we will come in at 1.30pm during afternoon sessions and the teacher will open the gate.

Putting Away Your Things

When we come into the classroom the teachers will help you put our coats on our pegs.

And help us to put our reading bag in a box.

They will show us how to put our named water bottle filled with water on the tray.

Having Fun

Then we will play, make, sing, count and have lots of fun!

Bathroom

We have our own class bathroom. You can go to the bathroom whenever we like we just need to tell a teacher where we are going.

Playing Outside

We can play outside with the teachers. We need to bring our own wellies with our name in and school have puddle suits we can use so we stay clean.

Lunchtime

If we are staying for lunch this is where we will eat. Just reception eats in here and we can take as long as we need. The dinner ladies and the teachers help us.

Home Time

When it is home time the teachers will help us collect our things and we sit on the carpet. The teachers will call our name and we can meet our parents here.

Then the fun starts all over again the next day!
