

Vocabulary

Liturgical year	Also known as the Church year consists of the cycle of liturgical seasons in Christian churches
E-Safety	The safe and responsible use of technology.
Growth Mindset	Individuals who believe their talents can be developed through hard work and good strategies.
Time connectives	A word or phrase which refers to the time in a sentence and tells the reader when an action is happening
Adjectives	Adjectives are words that describe, making your writing and speaking much more specific.
Poems	A piece of writing in which the expression of feelings and ideas is given intensity by particular attention to diction, sometimes involving rhyme.
Place Value	The value of where a digit is in the number - ie: tens and ones.
Shape Properties	The number of sides and vertices (corners) of a 2D shape. The number of faces, edges and vertices of a 3D shape.
Partition	A way of splitting numbers into smaller parts to make them easier to work with - ie: 34 - 3 tens and 4 ones.

We are reading

The Snail and the Whale by Julia Donaldson.

Poems on a model - (Animals linked to our science topic)

Saint Clare's Catholic Primary School Hazel Class

- Our Local Area -

Maths Key Skills

Read and write numbers from 1 to 20 (Yr1) and 1 to 100 (Yr2) in numerals and words.

Recognise the place value of each digit in a two-digit number (tens, ones). (Yr1 and 2)

Counting in 1's, 2's, 5, 10's (Yr1) and 3's (Yr2)

To read write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) (Yr1) and show that addition of two numbers can be done in any order (commutative) and subtraction of one number from another cannot (Yr2).

Identify (Yr1) and describe the properties (Yr2) of 2-D and 3D shapes.

English Key Skills

Children will be able to make predictions (Yr1) and demonstrate understanding of texts by asking and answering questions (Yr2).

Children will be able to sequence the story (Yr1) and will know and understand the features of a simple narrative text (Yr2).

Children will use patterns and repetition to support oral retelling.

Children will be able to create own story maps/plans (Yr1) and develop stamina for writing in order to write at length. (Yr2).

Children will be able to construct their own short narrative, punctuating simple (Yr1) and compound (Yr2) sentences with capital letters and full stops.

Religious Education

This half term we will look at some ways the Church celebrates major seasons of the liturgical year and being part of the school and church family. We will also be reading Scripture passages that reveal God's love.

School and Parish Events

- Welcome Mass
- Film night
- Open Day
- Harvest Festival

Topic Based Key Skills for the lead subjects this half term

Geography: To know that maps give information about places in the world. Name, locate and identify characteristics of the four countries (Yr1) and capital cities (Yr2) of the United Kingdom and its surrounding seas.

Science: To learn about the lifecycle of different animals and what they need to grow. Children will have the opportunity to perform simple tests and gather and record data using simple equipment.

Art: Experiment with a variety of media (Yr1) and techniques (Yr2) to produce observational drawings of the locality and school grounds.

E-safety: Know the rules for keeping safe online.

Physical Health - PE - Games

Mental Health - HRSE - To be curious about themselves and their purpose
